

To our Loyal Sponsors,

The challenge that COVID-19 has presented to our local community is unprecedented in scale and the impact it will have both in the short and long term is impossible to predict. Recently, you were sent a letter asking you to support our annual golf tournament. Almost 100% of our sponsors are local small businesses and given the impact this pandemic will have on the community, we'd like to tell you to please disregard our request.

The VLP SMILE Scholarship Committee believes it is more important than ever to support the local business community in the way that they have supported us over the past 9 years. As such, at no cost, we will display the signs you've paid for in the past at no cost to you. We will advertise all of you on our website and do what we can on our Facebook page to promote the local business community.

We do plan to still give out our scholarships and host our golf tournament at Wildwood CC on July 18 unless it is still deemed unsafe to do so. If you've already sponsored our tournament and submitted payment for this year, we will be refunding that payment. We thank you for your continued support and know that we are all in this together.

Best wishes,
